### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel H. Shulman on November 10, 2003.

The application has been amended as follows: Delete non-elected claims 22-24.

2. The following is an examiner's statement of reasons for allowance:

Re claims 1, 3, 7, and 9-13, the feature of the dome shaped holes into the second heat sink receiving the first polarity set of diodes therein, in combination with the other limitations present, are neither disclosed nor taught by the prior art of record.

Re claim 17, the feature of the heat sink for a bridge rectifier having the plurality of diodes arranged in a substantially symmetrical diode layout: and the heightened plateau section area, in combination with the other limitations present, are neither disclosed nor taught by the prior art of record.

Re claims 18 and 19, the feature of the heat sink for a bridge rectifier having the plurality of diodes arranged in a substantially symmetrical diode layout, radial air grooves disposed on the top surface of a base section of the heat sink and at least one diode being a negative diode adjacent to a corresponding hole for a B+ stud, in combination with the other limitations present, are neither disclosed nor taught by the prior art of record.

Re claim 20, the feature of the connection cover for the bridge rectifier having the a heightened radial rim over the outer edge of the top face of the connection cover to block airflow over the top face to facilitate cooling airflow between the connection cover and the top face of the base section of the heat sink, in combination with the other limitations present, are neither disclosed nor taught by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
